HSK 7-9

500 new writing characters · 1200 in total

Official 2025 HSK writing list

Trace first, then write from memory.

Recalled means you have written the character once from memory. It is not a claim of long-term mastery.

What's inside

- Progress checklist — one line per character, with Practiced and Recalled boxes.
- Practice pages — an example character, pinyin, meaning, and eight practice grids.
- Self-test pages — pinyin and meaning hints with blank grids, for writing from memory.
